

March 15, 1944

My Dearest,

I am not very good
on days & things. So since St.
Patrick's Day is soon. I want
you to take the green an
use it for soon thing you
want.

I love you a lot & missed
you these couple days.

Love

P.S. Call it a "Graduation" gift &
if you do not like St. Patrick's
Day.
