Dearest Mary,

I have not written to you in a while but I have been very busy. I hope that you understand. I hope little like Aunt. As fast I did not write to her for a while.

We play soft ball Tuesday afternoon and we had a very good game. We won 5 to 3 as we beat the Crooks. I guess that's why we don't get any food now. I got me hit with one trip. The other two trips of the plate was a fielder's choice.

The weather here has been very good that is why we had the game.

One day night I saw "Wreck Train." It was an old picture but I saw it in London, and I liked it. means it is new

2.  
pictures of the Mississippi River  
which bring me closer to home.  
I have to work & night as we  
get a party. And when I work  
at the party I get out of 11 P. and  
so I guess I will put in a hard  
night until 1 o'clock. Then I will  
not have to work all day in 11 P.  
I had Harry's brother's  
6<sup>th</sup> in his class of 130 and that  
5 not 8 had. I hope that he  
keeps up there.  
His letter of yours is in the  
night again. I wish I could  
stay awake so I could write  
you then.  
They got that picture of the two lions  
in a workshop at the show & night.  
about as I have to work I will  
see it later. I see that you  
cried at it. So I will take  
my bed sheet with me. We got  
a couple of from Brooklyn with

and guess that I will be met 3.  
Take a sheet for the two.

you can really write a good  
letter. And I wish I was there  
in your arms. Boy that would  
be heaven. I will have to try  
it that way this very soon, I hope.

I am going that I can write with  
better. But I have to make this  
fast letter as I got to go to work  
soon. And if I don't get you  
soon I will have to leave it there  
go until I can. And I do not know  
when that will be so I will  
make this short. I hope you will.

I got two very very nice pictures  
from you in this letter. The  
one of you & the two other girls.  
Good. And you are the best looking  
girl out of the whole bunch. I wish  
I could see you like that when  
I get home. You ~~all~~ look pretty  
happy.

How nice I shall find a gun too!  
where did you get the wings  
on your coat? they look very  
good.

The other picture is of you  
on the hospital steps. I like  
this the best. I see that you got  
a sweater on now. I wish  
of clothes that I like you to wear.  
I really like your hair. I am  
also. I hope I get a chance  
to see it up in the park.

Well, I told you it would be  
short. I will try to write you  
again when I get back for  
a 2 day pass.

Until then all my love  
with love you again.  
Just  
Nes.
