Dear Sam,

I love write you every
day for the last 4 days and I'll
get a lot of your letters & answer
I hope that I do not get this far
behind again. As I never did before
in my life.

I do not have much news for you.
I did not play ^{good} ball 8 days as
now only else had the place.
But we are to play 8 more.
We really got great weather and
I could not tell you just how good
it is if I keep on writing all night.
But it is 7:30 now and it seems like
30' clock at home. As the sun is
still very much out. But I should
not say. But as I do not know how
long is after 1 1/2 years.
This letter you wrote is a photo's
Orders. You would of added you

2.
own riders to that? If you could that
would they be? I could guess a couple
I think but I would like to hear from
you.

You asked me if I think there will ever
be a world without war. No is my
answer. Because there can not be a
city or town without a fight. A fight
between men is a small war. But if they
could do like the sport has done. Take
the leaders & let them fight it out &
we all sit on the side & watch it would
be better. Then we would lose only
a couple men not like now. And the
leaders would not want to fight all
the time so it would be a little more
peaceful. I got that from my Dad where
he got it from I do not know.

I could go for that double date of
Doris & Jack & you & ? but I
guess I will have to take a rain
check. But some other it is in my place. I
you have not done so before now. I
never went out with a minister. I
will sure love to put my dirty pants away

and tell her you I mean my pen is Sunday
 school for a year good summer. Our
 Sunday school teacher has 43 years
 with out missing not paid. He is a good
 guy. I got away from the subject
 of Frank & Gordie. But tell her I
 would sure like to meet her soon.

I am hope that you dad & mother
 comes down for your graduation. as
 I would like to have them if I was going
 & graduated. Tell me now about it if
 you can.

I can not get you anything for your
 graduation gift. as nothing over here
 is any good. So I will let mother do it.
 so I hope she get some thing you need.
 I send all my love with it.

I got the paper blades you put in
 the letter. I am doing ok. with blades
 right now but takes a long for them. I
 have to take them better than our
 kind we get over here.

I wish the way you closed your letter
 with. I wish I could do that
 good. This letter is short because
 I do not have any news. I hope that
 you will understand. All the way?
 would like to write about tonight
 is it's rather the long way home." I
 could easily take you the long way home
 the next time I find you out. Do you
 think you will go for it? But that
 always reminds me of the night
 I spent in the park with you. Those
 nights are one of the best memories
 I have of St. Louis.

I love you a lot & much
 miss seeing you. may the days be
 short.

your always in my mind.
 Love & all
 the kisses in the world
 Mary.
