My Dearest One,

Today is really a bad day as we had cold weather & no sun. I guess I write a poem about being the sun as usual. I don't write you about it. I have not been it since.

With the bad weather I guess the ball game is off. So I can not write you about it.

P.S.

But I can tell you about the picture I saw this week. It was "Hotel Berlin." Not a bad show at all in fact a good one. It was all about the the downfall of Germany. This problem was hurried through so that I could get out before

the fall of Germany. And
and may get home soon.
I heard a baseball game on
the radio. It was about the Yanks
& Browns. The Browns got
Twice in one inning. So the Yanks
really lost.
This letter of yours is May 8th
this is a V.E. letter as I guess you
should call it. The letter was
smelly nice.
You said some thing about
the boys getting a furlough
here. Well, you & Louise's
yours only for the asking. And
did you of the flying. And
since I didn't. I guess I'd
will be a while before you see
me. That is not good news.
But I just thought I'd tell you
as well as you just. How things
are. As for my picking a orange
you can tell me that when
I get home.

How is your brother now? I
heard he (Di) is doing some
hard fighting.

So you think I make a good
civilian. I wish I could
be with you tonight. My I might
spend it there Darling.

This letter is so mysterious
that I can not start to
answer it. But I really like
the way you tell me that you
love me. One of those days
you will have to show that
to me. But for you that should
not be hard as you can just
tell me what is in your heart
and I am sure that is enough
for me. What do you
have to say about that?

I am sorry that this is a
short letter but I just didn't
not have the time to write
much more. If I had you
with me I bet you could
not get a word in edge ways.
But that will have to wait
a while. But anyway I
don't just remember that I love
you a lot.

Just
A/S.
