My Dearest,

To day is sunday and it is just 6:30 A.M. So I can not tell you any thing about church as I did not go to it.

It is not a bad day for England. But this week we had rain at least 3 times a ~~week~~ day all this week. and the ground is getting pretty wet.

We did not do much this week in fact I did not go to a show. And that is the first week that I did not go to a show at least once a week. So then for I do not have much to write about.

I am writing on my bed so that is why the lines are all wrong. and the writing is bad. I hope you will

understand.

We stayed in camp just about all this week. Why I can not say. I can write you more in a while.

I gotta very nice letter of your of May 25th. It's all about your graduation & the parties. It sure sounds like you had a good time.

There is not much that I could write about. But I am glad to hear that the family got along with your Mother O.K. I would like to see her some one day.

I am glad you liked the gift. I didn't know any thing about it. And your letter is the best part I heard of it. I would of liked to get some thing from our son. But I could not find any thing that I liked. I hope that Brother did O.K.

I am glad to hear that your banquet was good also. But I have heard it was nice. Maybe we can have one for ourselves.

This letter is very nice so nice in fact that I can not begin to answer it right. I have a good idea about how to answer it and I will do it. But you will have to wait until I have the time in place.

I hope that you are in good health & happy

Love as always

Elli
