Dear Martha:

Say, that was some opening in that letter of yours. This is the first letter that I am not writing to you in class. In fact I will never write in class. The school wash me out on low grades. But I do not feel bad about it. In fact I think I will love to get out of school. I will send my new address as fast as I get it.

I think I will ~~got~~ go to Jefferson Barack. Well that is enought of that.

I like that address you put on the letter that is pretty good. We got to more games to play to win in flight B. But they will be with out the help of a great coach (me).

What is the matter don't you get along with you roommate?

We just got finish with a ball game. We win of course by the score of (get this) 20 to 5. I got 4 hits out of 4 trips to the plate. But you should see me on the bases. I look like a man that needs crutches. But we win that is all that counts. We ~~cha~~ can win or at least have a tie for the title. Well, that is enough about the game.

All we have been doing the last two days is laying around. But we can not get out of the house.

I am sorry that you wrote so much about me passing the history test. But we did not have to take the test.

In you letter you asked if the boys went on the top deck on the boat. I do not know. But I went ~~in~~ to the boat last saturday. Boy, did I have fun. Is that were you meet that ~~soldier~~ soldier? If it is well I can ~~show~~ surely see why.

I never went riding in the

lagoon, But I never get around any more. What were you doing at Washington O..

That is to bad about that sum bath. But that is the way it goes.

Well I will close now

your Pal
Ollie
