Dear Martha:

I enjoyed your letter very much. I was the first letter I got at I.B.

It was real fun to read your letter. Boy is St. Louis hot now.

The first thing I have to tell you is bad news.

I open your letter and read it and I could not find your picture. I am very sorry I lost it please for give me. Could I asked you for a picture again with out get my head knock off. Please for get me for losing the picture and I really would like to have a picture of you.

Listen, when you are on you vacation do not write long letters. But when you get back to this city I expect expected a long letter. I know how it is when you are home.

2.

I had the same trouble trying to find time to do every thing.

That moron joke is as old as the hills. See if you can do better.

Say, if you sister went to the O.S.O dance and you brother too. Well how many brothers + sisters do you have. I have a brother and sister.

I really appreciate you letter no kidding.

If you do not appreciate my jokes (not coming) I will not write them.

When did you have your tonsils taken out? And you still do not like to ~~have~~ have you breakfast in bed. Well, when you get married your husband will appreciate his breakfast in bed. I knew I will. But that just shows how ~~lazy~~ lazy I am.

Say you must get along

with service men. That sailor
is O.K. Say when did I get my
change.

I did not see "5 Games to Cairo"
but I will. I am sorry to hear
that you and Dick are not getting
along so good.

I never went horse back
riding in my life. But the first
time we can we will go horse back
riding.

I am in a tent here and
we have no table to write on
so please forgive the writing.

I do not know how long
I will be here. But we are
to have 22 days of training.

I do not have the time I had
at Washington so my letters will
be shorter.

I am sorry about the picture.
Maybe I can make it up to you some day.

Love
H.P.

P.S. Have a good time
