Dear Martha:

Well how is the old home? I can just see you sitting down reading this letter with a pair of shoes on. And a nice big glass of _____ ice tea with a little _____ sugar in it. And look at the chair I bet it is the softest chair in the house. What say? how right am I.

Hold tight I got some jokes (I think they are).

"She used to be my flame until she went out with that squirt"

Or how about this one.

"Isn't this wonderful sitting here before the fireplace? Isn't that a lovell fire?"

"Yeh, but I'm sure going to miss the furniture".

I could not find a picture of myself at home. There was all the time some body with me. But I will put ~~one~~ one in this letter.

I asks my mother to find a picture of myself but we could not and she was going to give your a graduation picture. But that will be to much that like Dick. So I will send you this picture. Boy I should can not see what you want a picture I like that. -

Well, now to get down to my baseball. We had a game Tuesday. Have won I an begin to think we have a fair team. This is our 6 straight victory. The score was 11-7 but we played very bad ball. Our pitcher was in bad form. I got 2 hits for 3 trips to the plate. I was tell you a lie my batting ave. is not .999 but .857 just a little below. But my fielding is 1.000 there is a reason I did not even touch the ball in two games. Well that is enough of the stuff. Write soon. Hope you have a good time

Love, Jop
