Dear Martha:

Oct 9 1913
7:00 P.M.

Well how it that night
didn't you had saturday night. I
have to work saturday night too.
Boy on I mad because I see all the boys
going out and free I sat. but I am doing
the next best thing writing letters.

I went to the football game Thursday
and Friday night. Cleveland won 27-0
and Southwest + Roosevelt played
0-0 tie. There is a boy who played foot-
ball with me last year and is a great
friend of mine. He just come in on a 13
day furlough. He is in the Anti Air aircraft.
and fired a 50 cal. machine gun. I went
out to the games with him. Boy is it
good to go out with some boys you know.
all the boys I know have gone out
with and it is fun to go out with
them.

you better study because you would
have to lose all the time you put in. and
I you will get the worst language you
ever heard from me. Do it!

Sorry but I do not have any joke or corn.

I like your story about mother and candy that was O.S. Sorry I do not have any story to tell you about mother.

I like your red ink and that was a long letter I am not that good in writing a long letter as you will see by this letter.

I got .25¢ on each game for St. Louis I owe my father 25¢ now. But they play Sunday.

So you go to bed at 9:00 p.m. that will give you a very good rest. I am listening to a radio and a murder so this radio is stopping me from writing a good letter.

Say you are the last person on earth that will be a hermit. I know.

I like that grade you got. is O.S. I wish I could get one of this grade. you take your books to class like I did at Washington.

I guess I will close now.

See you soon.

Love
