DATE

Somewhere in England

Dearest Martha,

I got your last letter first or
your first letter last, but that's the
same everything backward.

So you moved or than you room mate
want to and remember that is to bed. I
agree with you it is better to have the same
in first of your name than all the junk behind
it. But of course you have to get the right
man before you get that Mrs. What do you
say about that.

I forgot about the Note I owe but but
just what was it. You will have to wait
until I get back to pay you.

You sorry about your back. I will
watch out the next time and I sure hope
that next time, will not be to far away.

I like that mark you did on my envelope.
and I hope that this little finds you
in good health.

You do not need that nurse too in
St. Louis do you. May be I can help you
out if I can. And with keep your coming.
