AMERICAN RED CROSS

Feb. 11, 1944
Some where in England

Dearest Martha.

I received your letter
and did not have an time to answer
your letter.

I will answer your letter
and then tell you about London.
I guess they are working you like
they do me. I never find time to
write all the times I liked to.
say if your Mistle toe did not work.
Don't forget that this is Leap
year. So go to it. I hope you
get a good looking boy.

So you went to the Jewel Box.
I never had a good chance to know
you St. Louis. But if you are not
finished with your nursing when
I get back I will do better.

AMERICAN RED CROSS

That is if you are not home. and
would want me to show you
the letter I know. and if you
are not on the night duty.

That is the Best hill to go
Coasting on. the one in front of
the Art Museum. I got a 1/2 ft.
boat sled. I will try it and
you can drive.

I saw Flecker & Fontenay too.
I liked it. all the pictures I see
now are very old. But in London
I spend much of my time in the
theatre. I saw "The Girl He Left
Behind." & "The Angels Sing."
I also saw the 8 stage play
"Panama Hattie." The play was
good. But I liked the picture. The
Girl He Left Behind. But may-
be you saw it.

AMERICAN RED CROSS

I know how you can get
homesick on Christmas. Because
I feel it too. But ~~there~~ no
baby died on Christmas for
me. I bet that was hard to
tell the mother. I know I could
not do it.

So you had a Coconut for
Christmas. I can just see your
room with the milk on it. I
am laughing now at you
cleaning it up.

So you got a good room -
mate. and that pull is all ways
good to have. You can stay
out at nights longer. Say who
is the boy you got now.

I never hear that moose
joke about the Fox hole.

But I am so busy I can not read much now. And this candle light is bad for read. I am at the A.R.C. where I have a good desk & some light to write by.

I like that P.S. about me ~~you~~ under the mistle toe.

I want to London as I said before. It is like the book said it was. I saw a lot of thing. If there is any thing you like to as how we please do. Because there is so much to write about. I do not know where to start.

I went on a Special Tour by the A.R.C. I saw the follow's places. Buckingham Palace were the King live. And the guards change I guess you saw pictures of that. St. James Palace & Park.

AMERICAN RED CROSS

The home of Her Majesty Queen Mary.
Nelson Column, Trafalgar Square,
Statue of Duke of York, Big Ben,
Houses of Parliament, a statues
of Abraham Lincoln, West-
minster Abbey. Is there a lot of
people there who are sick.

But it is a big church one that
is too big for me to write about.
So I will just say it is a big place.
I saw the 3 shows and I had
little time to do any thing.

I saw Piccadilly Circus
were all the theatres are. It
looks like Broadway in N.Y.
& Grand-Wharfedon in St. Louis.
Well I saw some of London. They
do have a big system of underground
or subway.

AMERICAN RED CROSS

this is my last piece of paper but I will get some more. But I will have to have for camp room.

I got a letter from Mother and she told me all about the party at our house. It rounds like you had a nice time. At best Mother did. you will have to for give my uncle Walter + Dad. When they get together. They have a good time I know. and if the car could you about any thing they will. and I know you had to take a lot of trouble about me. But it was in fun. Mother likes you and she said the little she knew of you. you are so very good that any body would like you. You can't help it. I know I do. But can not put that stuff on paper. I have to say it.

AMERICAN RED CROSS

This is page 7 of Book I.

I hope you like mother dinner.
All I had to do was to read it
and my mouth watered. But
friend Cheever always does that to
me. We had Cheever's feed for Sunday

dinner I had 2 wings & 1 breast
and woad fill. Yesterday we had
good hamburger I had 7 of them.
And the day before that I had two
oranges. That was the first
time I had any of that stuff in the
E.T.O. (Europe Theatre Operation)

I think of you & the trees we
had to get them. Well the night
duty you had. Do you know
I miss you more than I thought
I would. I better close now.
With love & kisses to go.

"To furnish volunteer aid to the sick and wounded of armies" and "To act in matters of voluntary relief and in accord
with the military and naval authorities as a medium of communication between the people of the United States of America
and their Army and Navy" The Charter of The American National Red Cross By Act of Congress January 5, 1905.

P.S. I want I had you in my arm now.
