Dearest Martha
I received your
very nice & very welcome letter.

I just wrote this V-mail to tell
you that I received your letter.

I did not get any mail for
about 3 or 4 weeks & then it came
in piles. I have so much to
answer that I will be here
for years.

Yesterday I was in the
army (1) one year & I hope it is the
last year. Boy, would I love
to get home. Then I could
see you. Say how long will
you go to nursing school? I
think it is two and a half years.
