Dear Martha,

Hiya Miss Nightingale!
I don't have to much to say but I will
write you a little.

You such as my foot locker
I made. It looks like some boy about
8 years made it. Oh! well it serve it
purpose.

I got a letter from my aunt and
she like you. You made a good hit
with everybody. Of course my brother
did not say any thing. But the news
does when women are part of it.
Mother said she got a letter from
your mother too. I looks like a lot
of thing are going on behind my back.
This mail does not give you much to
write on. I better close now
and as they say in England Change Oh
How so ever
