March 10th 44
England.

Dearest Martha,

Well, I
received two of your
letters to day. So I guess
I better get to work and
start answering them.

I am glad to hear from
you always. I think the
first time I get mail I
look for your letters.

England is so behind
that if they were up 50 years
they would be 30 years
behind us. I will prove
that by the pictures I saw
last night. The picture
was a "Stranger in Town".

I saw this a long time ago.
 And Stage Door Center
 is coming soon. I missed that
 at home so I guess I will
 wait now. All I do is
 to go to the show.

Say at least you can
 say I have been good.
 For in the last two months
 I have not had a date.
 The only date I had was
 a couple of dates with
 my boy friends. To say I
 all day go to the show
 with! So you can see how
 good I have been. I hope
 you have not been that
 good because it is good

to go out and have a good
time with a girl now and
then. But I guess I will
save my good times with
girls until I get home
again.

I never saw London
Bridge or St. Paul Cathedral.
But I did see the Big Ben.
I will see the other to morrow.
on the next time I go to London.

I got a bed by the
store and an L. box
now. So boy has got
his clothing in a bucket
on the store he is cooking
them to get the dirt out of
at.

I have a low bed. and
everybody likes it. So
I always got some body
to talk to. I never can
keep this bed made
right.

This paper is to thank you
for me. I will take it again
no ~~at~~ doubt.

Say you better wait
till Texas say. I know
how they work.

I hope your brother
like the Marine Air Corp.
I hope I would.

I know I write big
capped to you writing.
But forget about how
many pages you cover

all I want is to hear from
you.

I like the last part of
your letter. But I guess
you do not know what
I'm talking about. Because
it has been so far away.

You said that you
wish me when together
& well. I do not need to
say anymore. And you also
said me this about my
picture.

I wish I had a picture
of you. I am very worried that
I send the big one home
from N.Y. But I like that
one so much I would
like to keep it. Over here.

I might get destroyed. All
I want is a small picture
of you.

Now you second letter
of 2-18-44. I do not know
how you can get rid of
Dick. Maybe he really loves
you. You know how
to get rid of him. I guess you
better get rid of this one
by yourself. All I got to
say is when I get back
and I want a date. Dick
a not Dick. Texas or not
Texas you are going out
with me and that is
the last word.

But back to Dick I
really do not know any.

thing about him so I can not
tell you about him. But he
is this and keep writing
to him because I know
how much I like to get
a letter from you & yours
he is the same way. Are
you engaged to me?

You are right about
not feeling too bad now
with the new problems.
You are really climbing that
ladder. But I am still at
the bottom. I got only 22
steps until I am a full
general. But that will
be a good dream.

I do not know just
what I did on my

anniversary of being in the
any one year. But I was
dull who every it was.
I will have to save
all those days up until
I find a good place to a good
one.

I wish I could tell you
just what I am doing
but I guess I can not.

One thing I can tell you it
is not very important. I do
not think it's helping the
war out any. I guess I
am not the head type.

But my work will make
me a good husband.

Do your letters are not

Censored.

Will I guess that is
all from here. I have
got a couple English
jokes.

a tin hat?"

So that he will look like
a metal stud in the road
when seen from the air.
