Dear Martha,

I have a little time now and though I would write to you.

By, would I love to be out with you today. It is Sunday we had a walk in the park. The weather here is great about 50 and you do not need a coat. The sun is out but not very hot as it gets in St. Louis. I really miss you & stay more than any time.

I hope this goes just to home. With love & kisses and my best love you love
