LUTHERAN Hospital  
School of Nursing  
St. Louis, Mo.

Sept. 19, 1944  
England

Dearest,

Well today is Tuesday  
but still another day of work  
and

I went to a Scotch dance  
Friday night. I really had a good  
time watching the men & women  
dance. The men had kilts on  
& did they look funny. The dance  
was really some thing. It lasts  
longer than a Square Dance &  
was like a pitting. I thought  
the man in the pipes would  
never stop until he blow out  
his lungs. Well I really had a  
good. The dance was given  
by the police of that town.  
They got a song on the radio  
which I never heard before.

the name is "What are you doing?"  
after the war? That is the first  
time I heard that one. I guess  
you have already heard that.

Well, life here is just about the  
same. Walter is pretty good.  
But it is sure getting dark.

You see we moved our time  
back one hour Sunday night.  
And now it gets dark at 8 o'clock.

The paper said that they are  
to turn on the lights with that  
is a big lie. They did not make  
the street light any brighter.  
And a lot of the people still  
put trap up their blackout  
curtains. The car was get out  
of the habit. But a couple of hours  
you can see the lights coming out.  
But I need it is still the same old  
Blackout. All you need is the  
right girl if you get a lot of  
+ mean

My brother went to Idaho the  
for the boat coming as he  
left here Sept. 9<sup>th</sup>. Will that  
another one of the family go.  
But I guess a lot of the  
families are in the same boat.

I did me a couple shows  
"Lady in the Dark" & "Double  
Indemnity" which were pretty  
good. What girl is that? O.K.  
But I guess you saw that  
ready as you see them all.  
Tonight I've an O. & see Pin  
up that with the Diabla & Brown.

Well I guess I better get  
to your letter. So I do not  
have any more fun to show.

Do you remember the boy  
I wrote about in one of my letters?  
He was the one that got married.  
I sleep with him in the bed  
at wife house. Well, he's gay

is to get a count material. Because  
he got worried & quick.

Bob Ayer just had a good joke.  
"You can sure tell if a couple  
is married or not."

If the cars are moving they are  
married."

I do not think you need  
any more.

I was surprised & pleased that  
you were about at aft. Mr.

I know a lot of boys out there.  
In fact some of my best friends  
are out there. But all the boys  
are in the navy or army. It is  
too bad. Here in is just laughing.  
But the house really sounds  
nice. I imagined it would be too.

I read you part in your letter  
about your little brother.  
I hope that he is out of the  
hospital. And at now.

And your brother in the 3  
Pacific. I got a cartoon I cut out  
of the paper. I think that he would  
like that.

Will I got a question to ask  
you? You got a lot of letters.  
What is the hell does B. B. D. C. Y. K.  
stand for?

Will, I think that is it.

I got all the bright points  
of this country.

I miss you a lot. But until  
I see you. I guess I will just have  
to on missing.

With Love &  
sincerely

Ray
