The night after
the night before
On 358 more days
until Christmas.

My Dearest,

What as you can see by the
date of this letter I waste little time in
writing to you this new year. It is to check
at night and I put a hard days work
in.

Well, yesterday was one big day in
my life. As yesterday was a day which
make my mouth go on. And it was New
Years Eve too. But the boys had to go to
town a few a good time. But the trucks
brought them back to camp just before 12 o'clock.
So a lot of them had to look at the old
year in the barracks. A lot of the boys
got their guns out & started shooting. But
I bet you will never guess when I saw
the new year at.

Well, I was sick for the last couple
days. I had a bad cold. And it looks
like I need a nurse to keep me fit &
in shape. Do you know who you could

name for me? Well, I feel good today so that
is all you would like to know. So I wrote
a couple good night's sleep. So last night
I went to bed at 8:30 and was still there
at midnight. I hope that you had
a lot better night than I did. All I
hope for is that next year I get some nice
nurse in my ans at New Years Eve. What
about that? That nurse is oh so nice &
very pretty. You see I really am thinking about
you tonight. And I would like to have
you here now. I hope that you do
not think this cold has got me in a
bad way because it has not. I feel good.

We had turkey & day for dinner &
supper. It was not so bad. But it was
not good cooked like they do at home.
We had a lot to eat. I hope that you
did to.

I did a lot of writing today. I wrote
3 pages to my mother & he sent me two
pictures of herself which are really good
and I had to write her all about it.
I started to write 6 pages & ended up at
8. It's just like this letter I started on this
one with 2 pages. And now I am going
on my ^{third} page. But I guess you do not
mind I much.

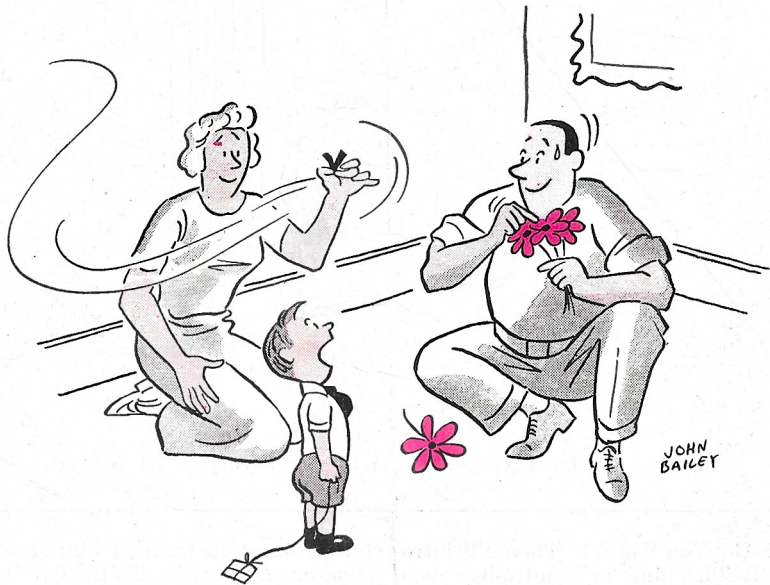

Well, I guess I was around the bush and
 got to the point of this letter. I received your
 very nice Christ was present yesterday.
 I really like it a lot and it is so very nice.
 My name on it looks so very good. I just
 do not have the right words to put in
 the paper. I need a few old fold. But I
 like the thing I like about it. I got my
 gift away from before. So I just put it
 in & have a look of course. The bill fold
 does not work good with the English
 notes. But then I hope to use it in the
 states where it does work good. Thanks
 so very much for that gift. What you need
 in return for this gift is a very big kiss.

I am enclosing a cartoon I got out of the
 Saturday Evening Post. I did not know if
 you said you had a dog or not. But
 if you have this would be o.k. I hope you
 do not get so mad.

I hope you are in good health
 & happy. As I am just because I know you
 & love you a lot.

With all my love & all the kisses
 I can give you. Love

Thanks again for the gift.

"That still doesn't answer my question about where I came from."
