my Dearest Mary,

I have a little
time I write you a small letter
before I go on pass as I have
24 hours off starting at 6 o'clock.
So I do not have much time
to write you.

I still do love you & miss you
a lot even tho if I do not
write you a long letter.

I have been staying in and
doing a lot of letter writing.
As I have done a lot of letters
I write you and you are one
of them.

There was great news on the
radio, brought on the Pecos
& Jacks met. But I guess this
is old news and by the time
you get this it may be all over.

Donald Kanga, the drummer,
was in St. Louis. I guess you
went to see him. Did you?

Did not see that picture
"I'll see you again" and from
what you said I better
see it.

You poor Mary Ann like
I survive from the shock
is it a while.

Emeka lay who went to
Washington D. C. graduated
in '41. And we had a good
time talking over the old times.

me both had. It was the
first way I met her here in
15 months that I could talk to
her that. He is trying to hear
often. I hope he values it.

So you would like to know
my middle name. Well after
a lot of thought on the matter
I will tell you. But it should
not get around so far as you
know. You middle name is
Theodore after my father
a President of the U.S. And I
like Teddy for short. But
no body ever meets as
I go so much better.
More coming a little

old weather here now.
But I guess it will be O.K.
soon.

I feel close now so
I can leave. But I will leave
my heart with you. And you
better take good care of it.
Don't hate to love it.

At my heart's
my thoughts are with
you
Hop.
