my Dearest

Well here is another day and still I am far away from you & miss you. I mean it.

I got one of your letters to answer now. But first to better tell you a little of the news here to day.

The weather is getting a lot warmer and a lot better than it was a couple days ago.

I got a letter from mother and she said Dad Ray is 2^d in

his class not bad.

Last night I went to the show
for the 3rd thought night in
a row. I saw Sara Turner
in 'marriage is a private affair',
not a bad picture. It had a
lot of good points bit. Did you
see it? And Ed Kara Turner
I could look at her all night
long.

I was talking to some boy that
has been over here yesterday
which, but he said a lot of things
about the American girl. I will
have to go home & see it for
myself. But I guess it's all true.
That just made me want to get

have faster than before. No 3.
see just what I had to mind
by being over here.

I met an officer over here ~~last~~
was at 9 B. ^{July} ~~last~~ 43 and if you
remember ~~any~~ ~~of~~ ~~that~~ is when
I just got there and a about.
That time we had our first
date. Just think it is like
about 2 years very soon. So
you remember just what day a
date it was? I remember what
we did but not the date.
Maybe your diary will help
no. He was just a P. T. then
at 9 B. well just thought you
should like to know.

4.

I am glad you are enjoying good
weather as we also had
good weather.

So Sister is back, so she is
still trying to be a doctor. Well,
I hope she makes it or will make
it. And I am glad to read
you both had a good time.

I saw we both enjoyed Betty
Hester. But I still love my
friend. I heard someone "tuff like
that there." I wish he looking
forward to the song. The last
song you told me about was
very good. You keep me up
on the new song so I am behind

over here.

I like to know you say our
man. I really like that. But
then I like to know that you
say & the why you say.

I hope that your father
is O.K. on Okinawa. I can re-
ally see you mother would be
a nervous wreck.

You said something like you
thought should be more than
a moral builder. Well, it's a
lot more than that you should
know that. If not I will
tell you that they are a lot
more than a moral builder.

But even so the army ^{is} ~~thing~~
the soldier's morale is the
biggest thing it's got to
work on. For to keep him
happy is more than any thing
else. And what could keep
me feeling better than a letter
from you.

I have to close with
you now all my love &
may God watch over
you until I see you again.

Love

Bob.
