Dear Martha,

Well today I have  
17 month over seas. And it's  
a long time. I hope I do not  
lose another 17 over seas  
with out first being home  
for a while. But I am getting  
a little in the meantime now.  
Yesterday on Thursday, &  
today on Friday.  
I guess I missed Friday.  
We finally win a soft ball game.  
We win by the score 12-11.  
and it was about time. at the 4th  
inning we were behind 6-0 and  
then we got 6 runs to tied it  
up after the last of the 4th. I got  
a double but walked home  
when the center fielder missed  
it. We then scored a run in the  
last of the 6th inning to put us a-  
head going in the last inning and  
then we had rain.  
I got a good double S.R.F.

but then the R.F. took is time 2.  
to get the ball I took a hard ball.  
And remembering he had a bad  
arm I took home, sorry. Well by  
this time the pitcher was very  
winded. As he was a right 11-7  
in the first of the 7 inning. You  
see they got 5 runs on us. Well we  
just kept after him until he  
~~was~~ could not pitch at all.

There was 2 out & the score  
tied at 7 come to bat the second  
time in the inning and the pitcher  
was very much. With the rain  
coming down hard. I got the  
count at 3 & 2. I know he had  
to put a good ball in to get me  
out. Well it was a nice one.  
I put it over 2nd base for a  
hit. I took second on a hit  
run & put the win run on our  
side of the score board when I  
came home on the 2nd hit & last  
a day. I have to tell you all about  
it as it is the first game <sup>we</sup> have  
in a long time. But we all  
had a good time.

this is one of the few games I  
did any good at the plate. But  
did a couple bad tricks in  
the field. Now you can get  
my name if you need in just 2  
poundage to the state. And then  
will be no chance to cover the  
price of postage. I will be paid.  
The Major told me I should  
play for this team as I was playing  
for the wrong team. I guess I  
will as I got a letter from  
one team. And a major is a little  
higher.

I hope you didn't find that I had  
of me before at that name of perhaps.  
But I feel like kidding around  
when you do right.

We had a good way right  
last night. As we had some  
nothing <sup>the best</sup> but we had  
more. And the flares were at  
half dollars, I say just what  
is a half dollar, I for got. I  
can tell you about a half crown.

The family. Dad is wondering  
was working at the police circus.  
I guess it is over now. Did you  
see it?

He had charge of all the lights  
a colour in the act. So he had  
a heart busy telling the boys  
just the right kind of colour  
and lights to me. As you know  
the a circus is not run easy.  
Something always goes wrong.  
And you have to keep on your  
toes to get the things just  
right. I guess Dad is enough out  
our family. I wish about them  
so much now.

How is yours?  
I got very nice letter of yours.  
April 1. But I am here in jail  
stay not back. You for get a  
real tho they did not S. down.  
you wait all about a lay  
a girl. The boys now Geo. S. Tenier.  
I do not know him but if you  
give me his address I may be

when I am. Is he from St. Louis?

I will never bring up anything that  
you wrote in your letters to me.  
If you get then treated in one way  
else. As I know, I left St.  
Louis without a good under-  
stand. Therefore if it charges I  
will under stand. I hope  
pray it does not untill we

can see each other again.  
And that is why I do not want  
on under standing untill I  
see you. As I may not be like  
you before. So I hope if you  
stay like we are now. untill  
I get to hold you again & kiss  
you.

I hope that you can stay out  
of the way many. Put off all papers  
you do what you like.  
I had a lot of good thoughts  
about you coming over here as a 2<sup>nd</sup> Lt.  
Boy, would I get orders. before  
just a 1<sup>st</sup> or P.A.C. I never took  
orders for a lady before but

in this case I will like it as  
think the order would be fun.  
(Remember I ~~could~~ called you  
a lady, one good to suit for me).  
They are playing more & more a  
very good song. I like it so that  
if you when I hear it.

But back to that order of that  
walk thought the pack. I got  
a good pack all in mind over  
here. I never used it as I have  
sawed it all for you. I never  
even run it. But I hear the  
talk about it is good, and dark.

Will this be the sad ending as  
I better close. I am praying for  
you to get good grades in the  
tests.

Love to the one I love  
with all my heart,  
Yours little,  
Hop.
