England

my Dearest,

Today it's a very good day out side. The sun is out and no wind. Boy is it a good day out side.

They got a good radio program on the radio. So if I make a couple mistake you will understand. Right now they got 'Sad Sack' on. And if you do not know him you should.

We can not leave the post for how long I do not know. But I guess it will be until after play day. What I do not know.

We got just one slice of bread for dinner boy is it getting rough for food over

here.

I was going to the show but
the pictures did not come
on the post. So no show.

there is a field near us
and all the planes on it are
going home. And each time
they go up they shoot flames at
them. I bet they are very happy
boys.

Do you remember Dad just
told me last? Well, do you
remember the other boy with
us. Well, he is a Lt. now. and
was here. He got engaged to
a girl he had met that night.
He is a nice girl but I do not
know her well. I just thought
you might like to know.
We had a big moon out last
night & the last cough

3.
nights. I didn't put it to
any use so I am waiting
for you to put it to the right
use. O.K.

I am glad to hear that you
do not get those sick any more.
as you said it is a good
thing to get rid of.

I glad to hear you under-
stand about the way they
I get home. Like when you say
that you will know that I
will be older & settled & pursue
other changes.

I was glad to hear that
the army is not going to draft
nurses. Will that help your
peeps out of it.

this is really a nice letter
I am just sorry that I can not
write one like this.

I hope that this letter finds
you in good health & happy.
As I am very healthy. In fact
I got a 'small pox' but I keep
me keep healthy. By doing so
I want to trust it is really
taking.

Well, I miss you a lot
& wish I had you here. I
could prove it to you.
Love of a true
always Love
Lafayette

P.S. If you do not hear from me
for a while I hope you will under-
stand and that I should write
you just as soon as I can. But you
don't keep writing.
