

March 30, 1946

Dearest,

I guess it's March 30th you see
I am on the floor in the living room
about to go to sleep. and I am
far & tired & find out the date.
That means I would have to get up
walk in the kitchen and that
is not for me.

Mother & Jeanne are down
town. I guess getting ready for Easter.
That is one day that can be here now.
But because I will have the same
suits as I had 4 years ago. I would
really make a hell of a woman, the same
stuff for 4 years.

I did not think I had much to say
but I guess I have. So make your
self at home and have a set.
I am to work at the American
Sunday and I guess the rest of
the week on the shows. So if

you get to St. Louis. You meet
you at the train station easy. I know
if you come at 11 PM like you just
wrote me.

I know you can not say what
what train or what day you
will be there. But if you forget
how you can call up the house.
and they can tell you where I am
at. And I can call them each night
& see if you did call.

Your land lady called today and
got me out of bed at 9:30 PM. She
wanted to know just what day you
was would be in St. Louis. And
I told her I did not know. She did
not want to leave the girl by herself.
as she, the land lady, wanted to see
her aunt & come by in the country.
I should think the girl was old enough
to stay by herself a couple of days.
She also said she was to know if she
could have the other house today. Just
where is it?

11

Nick was down last night and we
Dad & he & I played cards all night. Mother &
I ^{consequently} went to the store. I was not
of the games last night. That does not
happen very much.
After that I went out & had
a couple beers and sat. And then I
bed.

Nick is going dancing with his girl to-
night at the Coma Room in the
Hospital. maybe I should not say his
girl as his old friend, Guy, is coming
back from the Navy, I think
next week. So we shall see.

Thursday night, we went to the
Club as I had some money & get there.
They had a lot of girls there & the
was a big women. And I worked
then Friday again. One of the men
Dad wakes down there was called
Jefferson Bonacks. & But he turned
him down. One of the girls was pretty
happy about that.

Wed. night, they sent me down to the
kid to learn how to run a spotlight.
They had the all-girl band from the
House of Charm there. They really played
some good music. I wish you could
have been there. I should if they are
by the program I send to you until
you would give me the songs they
had. The drummer wanted to see
men. She said she saw for weeks
was common and now she wants to
see men. We all had to let her
when she said that.

I will answer your letter
soon. But I'd like waiting a bit.
you come see me this
as tonight is Saturday. And
have nothing to do.
Write me when you know
for sure when & how you are coming
But be sure to see & stay with
your brother. Love always,
Ollie
See you got me writing that.
