My Dearest,

I will get a lot of hell
for not writing before. So I will
save up all my reasons until
you get here and I can talk
to you about them. They are not
very good.

I have been at the American
all this week at night. But the
days. Well, the last couple days
Mother & Dad have been house
cleaning. And they got me in
the middle, and I mean middle.
We are or were on the walls cleaning
them. Well, Dad said to do it this
way and Mother has her ideas
on the subject. And Dad was
cleaning the ceiling and I got all
the wallpaper cleaner down my
back & in my hair. If you
had I had to get a crew hair cut.

Mother said Dad's, the hair cut
looks good. I was very surprised
at that. Hope you will like it
also.

Today, I cut the grass and since
the family never says and thing
about how good it is done. I will
have to tell you myself. I was a
very good job. Mother said that
I should not brag but in this
case I think it is necessary. Dad & Bob.
As you can not ~~see~~ see just
how it is. Well, even body has to
say good things about me.

I am in a good mood today since
I heard from you that is why all
the kidding. It was just a short
note but I understand about
not writing. Just as long as you
still care as you wrote in your
letter. Thanks a lot for all
the nice long letters from you.

2.

I have a lot of things I want to
talk over with you when you
get back.

I waited all day yesterday for a
letter & come from you. I thought
that I would never hear from you.
But when the mailman finally
came, Dad got it & mother & I
kept it away from me. Had a
half of a time getting it. They said
if I was not there & got the
letter come they would not let it
as all day I was talking hearing
from you. They really like Dad
me about it.

The last couple days I have really
found out just how much they
Dad & mother think of you. They always
talk about you & when you will get
back. I never thought they could
take Dad's much interest in any
girl I know. I know they really
like you.

My sister is going to the Smiths
& day. And mother is to meet her at the
mission after she is finished. They
will eat & go to the show. I am
take mother from there. So I
will have to make this a short
letter as I am to leave with in
an hour & I have to show & share

I really have been pretty putting
off writing to you as I thought
you would be here. And then
I just have to write you. That
I see you very much. But please
take all the time you want to
see your brother. As I have been
a very long time.

And when you get here you
will really see a lot of time.
I miss you a lot but love you
still more than that.
