Saturday night

My Beloved

How clearly I see - somewhere in
heaven you were fashioned for me.

Angel eyes saw you - Angel voices
led me to you - and there we are.

This is another Saturday night that
the hungry possessing arms of loneliness
enveloped me and put me in this
mood - so I'm writing this short
note to you to let you know that I
love you with all my heart and that
there'll never be another you.

I'm really tired tonight and wasn't
worth a darn all day on duty - what a
life.

I've got Jaymie's phonograph here in
the living room and I'm on the floor
listening to all the records - I like to
do that and one of these nights I

hopes you can join me.

I want you to thank your mother for me for the nice time I had last night with her. I can't remember what I said in adieu, but when I'm with you - I'm not always responsible for what I say and do.

I said this was to be a short note and so it is - but I just want to give you a little food for meditation - so think about this and bear in mind that I'm yours for keeps -

"Farewell me not to leave thee,
Or to return from following after thee:
For whither thou goest, I will go,
And where thou lodgest, I will lodge.

Thy people shall be my people,
and thy God my God.

Where thou diest, will I die,
and there will I be buried.

The Lord do so to me and more also,
Aught but death part thee and me."

3

So in closing it's still
I'll my love with all my heart,
I'll my life.

Harry
