Dear Martha:

I am very
sorry about the paper &
how this may look, my
hand writing. We
are out at Forest Park
were that army is
to put on a big battle
Sunday. It is for
the picture "This
is the army" which
will soon come out.
So that will make
me a movie star.
We are to put this fight
on at But hill you
may know were
that is.

Just to show you
how it is out here
I will try my hand
at drawing. Do not
laugh to much.

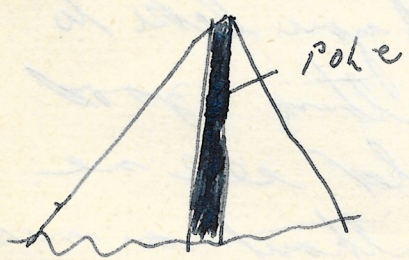

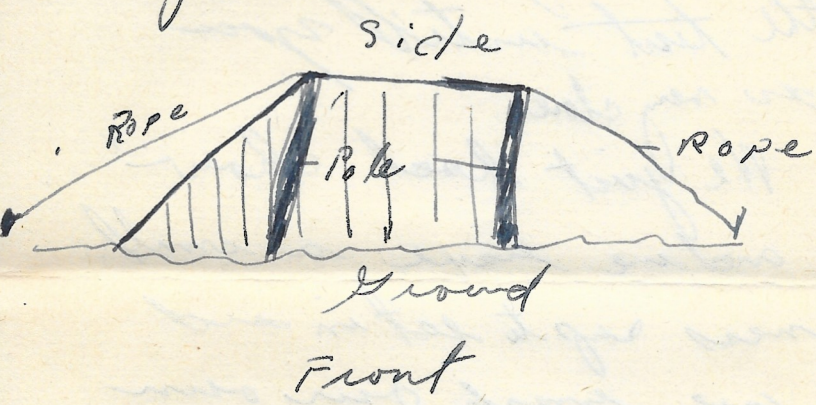

We started out here with
a rifle on which I am
now waiting a pack
in which is our mess
cups and spoons, fork, knife
a raincoat, a blanket
part of a tent and some
soap & tooth brush.
all this with a gas mask

↑ battle helmets.

↳ that was rain

The guard patrol just
went by pass. Boy
is this fun in this small
tent without a pillow.

This is how the tent looks.
they call it a pup tent.

The tent
is about
3 ft high and
5 ft. long.

We sleep on the ground and
do not have breakfast
is best. We do not have
a bed to have it
is best. And there is
two in one of these big
tents. We have put

vines
seems + parts of trees on
the tent. you can not see
the tent until you
are very close.

We just had 'chow'
and we have a small
mess up to eat in and
we wash our own
dishes. If you like to
see something good
you should see me
shave without a mirror.

I am sorry about this
writing but we have
no tables + chairs.
and when it gets dark
I will have to stop. you
are lucky to get this letter
because very few boys
here are writing.

Well that is enough about
this place.

I enjoyed your letter very
much. In fact I wish I
could get one every day.
I had part of a letter
started but for let it a
J.B. Say you did not
tell me what you are doing
in your vacation beside
going out with soldier's
When you said that you
are going to hate leaving
have did you mean you
hate leaving the boys (soldiers)
or the family.

I will answer your
letter when I get back to
camp & have some time I
have a lot to say.

Hope you have a good time

Love

Ollie
