Miss MARTHA DARROUGH
LUTHERAN HOSPITAL
SCHOOL OF NURSING
ST. LOUIS 18 Mo.

Feb. 23, 1944
England.

Dearest Martha,

I have
not got a nick name
for you. What do you
think a good one would
be?

Martha, before I forget
I would like a picture of
you. I know I asked you
for one before. But that
was too big to bring over-
seas. I would like a small
one I can carry around.
But it has to be just as
beautiful as the big picture.
I would like to show it to
the boys around here. You
can not talk about the

girl you ——— without
showing the boys how good
you are. Now after that
build up I better get one.

My little sister gave
you a big built up. She
really likes you. In fact
the whole house really goes
for you.

Say talking about my
sister. Will she started
to take Gym. I guess she
is getting ready to get her
man.

We moved our camp
again. I guess they will
never let me live in
peace. But they say it
is better to move than
to pay rent. What

3.

do you think about it?

This letter would have been a couple of days early but the moving just stop all my writing for a couple of days.

Say we had snow for Washington Birthday but I did not last long.

"I on reading your letter and it says, 'I thought you had thrown me over board for those English gals.' I like that I know my writing to you has not been what I like it to be. But all I can say is that I will try to be better. I hope you can do

the same. I am not so good at this letter writing.

I think of you more than any girl I know. But I just can not put that thing I mean on paper. And make them say what I want them to. I hope you know what I mean.

I wish I was in your brother's place some times.

I was thinking very hard about joining the marine.

I know I should of got in to them when a lot of boys from our football team went in. I am glad to

hear that he got his own rifle. I got mine but I do not think I will ever.

used it.

So you had to be a bad girl and send him 5 letters all at once just so he would get the belt line. I am glad that they do not have that in the army.

Became yesterday I got 25 letters & 3 boxes. I would be dead now. If that was me in the line.

Say what so good about being a P. N.? And just how long do you have to go before you are one? The next time Reginald comes around. I may be back in the states. But by that time you will

Have you man. maybe
it is this year.

You asked about the
English gals. Well, I have
not been in town for
a good long time. I do
not think they are any good.
I think I will wait until
I get back home for the girls.

I cut that clipping out
of the "Stars & Stripes" it is put
out by the G.I. over here.

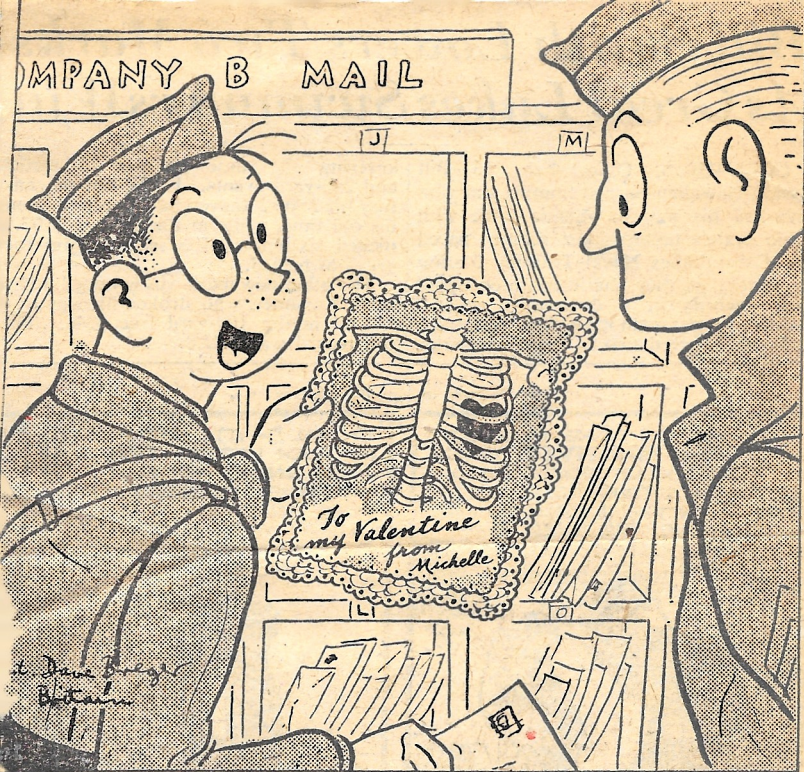

How do you like it?

I guess I better close.

Take care of yourself.

I am thinking of you
a lot.

With Love on
loads of it
