Miss MARTHA DARROUGH

LUTHERAN HOSPITAL School of Nursing.

St. Louis 18 Mo.

Feb. 28, 1944
England.

Dearest Martha,

I am setting
here things of you, but
I just can not put it
down in words. If you
know what I mean.

I have a little news
so I guess I will put it
down. My neck is o.k.
now at least for tonight.
Do you remember the time
I saw you in the hospital?
Say what did you have
in order to get in there.

I remember seeing you
but do not know
what you had.

We had an oranges

for breakfast it was good to taste an orange once in a while.

I like the scent of your letter. Can you send all your letters like that. That sure makes me think of the times we were out together.

Thanks a lot for the blades. But what I want more than a blade is a picture of you. Can I have one.

I like that "Somewhere in St. Louis with my mind 50,000 miles away."

Tell me some more about the Nursing Corps you are

going in. If that means that
you are going to be a
Army or Navy nurse.

The ~~only~~ only thing I have
to say is that you better
think about it good. But
it is your mind to do with
it what you will. I told
my brother who is getting
in to the service soon, that
he is old enough to make
up his own mind about
the service he wants to
get in to. I guess you are
old enough too.

I like that moron joke.
I do not have any jokes
since I come over here. The
British are not like us
in their jokes. So here

I am without a come-back.

I am glad to hear that you could live in a movieis. I love them too. In fact I hope to return to work in one after the war was. So if you go with me you will sure live in one.

I do not see why you want to be a defence worker. The nurse is much better. Your work helps people now. But not that war work. You should be proud of it. I know I am proud to write to you.

Say it is to bad you do not like cold weather.

5.
We got a 12 foot boat and
I would like to take you riding
one some time.

Do you know I said
to myself if I get married
in the summer I am going
to one place to swim
all day. And if I get married
in the winter I am going
to the north for the
winter sports.

So you are learning to
dance. I need a good
teacher when I get home.
Because the steps will
have change no doubt.

I got your penny
and in order to get my
thoughts I will write
later. Because it is to

6.
So I will just go to bed.
and dream of ———.

I will send you a
pence for your thoughts.

A pence is
equal to
2 cents
in the U.S.

So I guess
I send you
enough of your
thoughts.

I will write more
later. I guess to tomorrow.
With Lots of Love.

I sure miss you

Love

Flop
