Miss MARTHA DARROUGH
LUTHERAN HOSPITAL
School OF NURSING
ST. LOUIS, MO
Missouri.

MARCH 2/1994

England

Dearest Martha,

Do you
remember the time I
com to get you on a
date at the Nursing
Home. Well, I always
had some excuse for
not being here on time.
Well, I am just trying
to think of a good excuse
why I do not write
to you last night.
Maybe when I get to
the end of this one I
will have a good
excuse why I do not
have a reason. I
know and now I

went to the show at night
and saw "Ice Land" which
is a very old show. I guess
you know that.

I received your
Valentine Card with
a lot of mail 25 letters
to be right and two
Boxes. But thanks a
lot for the Card it was
very nice.

You asked about
my entertainment. Well
the best entertainment
I have is getting letters -
writing them. It's a very
bad job of writing,
but I love to try it.
We have shows in
camp. We can also go

in town every night. But
 that is not very interesting
 to me. The English are
 not bad as you put it,
 But I like to be with
 you more than the English.
 I am glad you write
 on the backs of cards.
 I got a lot of my Mother's
 letters like that.

So you do not like
 V-mail. I do not like
 it to much. But it
 has its points. It is very
 fast compared to mail.
 but if you do not have
 much to say, but you
 like to write a little
 it is good for that. It
 also tells the person to

when you are writing that
you are thinking of them.

It is too bad that the
censor cuts up ~~your~~ my
letters. I will not say
any thing about any thing
so he will not ~~cut~~
this letter.

I got a job now. I
think that it will last for
a while. I have had so
many jobs now. I am very
glad to get one that
will last. I now clean
up barracks all day.
So when I get home I will
be a good housewife.
Need I say more? But
we had things about it
I will never get any

stupid. But I get extra money. Which is about equal to the pay of a ~~capt~~ cpl now. \$5 every thing is o.k. for me. I still have that ~~that~~ boil on my neck. I wish we had a hospital with some good looking nurses. What do you say about that.

We just got back from 'chow'. And are the lines long. I saw 'chow' lines in this camp about 2 blocks long.

You really enjoy your meal when you wait about $\frac{2}{4}$ of a hour for it.

so you got two more
years in the school. Do
you think that I will
be home by then? I would
like to see you before you
leave St. Louis and really
show you the town. I
sure miss going out
with you.

I am very sorry that
~~at~~ I do not have any
good jokes for you. I
will try to ~~catch~~ ~~up~~ ~~you~~
up some.

I never saw "Madame
Curel." But when it's 2 years
old I will see it.

I am glad you &
8 tricks are getting along
so good. But I like

Everybody to get along with
every body. Many friends
+ no enemies is my great
part to the world's wits.
I better not say any thing
else.

Maybe I asked you
before but I would like
to ~~say~~ asked it again.
I know your birthday
is in Oct but what
is the right day. I guess
the 25th or about that.

I better close now.
Because of the lack
of news.

With Love +
Kisses. I miss you
a lot. Love.
Ollie
