

AMERICAN RED CROSS

March 5, 1914
England

Dearest Martha,

Say just what
power do you have that makes
me want to write ^{you} so much
I know one thing I ^{the letters}
got. And I bet you get them

I just thought I would
drop you a line. I still have
not written you ^{the letters}
about my thoughts but I will!
I just have not thought of you
enough. It is only 23 rows a
day. All 24 rows are nothing.

This writing in the Red Cross is
so hard. I put down

AMERICAN RED CROSS

on the paper just what I would like to. I am writing fast because I want to get back to Camp I got a 4 mile walk before I get to bed. I would not mind the walk so much if I had you. We got a nice noon out and it is like day. you know the kind of night I am talking about.

We had a great day of sunlight just the kind of day you would like to be out with you but girl, we were so very happy until I thought of home and all the things I am missing.

But I guess this is my night to
write like this I get in that
mood soon theny times.

I went to the show last
night with 3 other (V.I.) oldies.
We saw "Big Boy" it was pretty
good. Just to night I saw
'Rumba' with Geo Ruff & Carol
Lombardi. Boy is that old. The other
picture was "Christmas is joy"
with H.B. Dick Powell.

Dick remembers me of some
one. How is he now? You
maybe I never ~~heard~~ about
him.

I guess I do not have much
to say to - night. But you thinking

the one letter I got. When every
I get to from sick I need it.

I am just wondering who is out
with you to night. And who does
got you in his arms. You need
not wonder about me I have
no seen a girl in this town
to compare with some one
You do not like V-mail.

So I will write you a letter
but it is slower than V-mail.

"To furnish volunteers and to the sick and wounded of armies " and "To act in matters of voluntary relief and to accord with the military and naval authorities as a medium of communication between the people of the United States of America and their Army and Navy " The Charter of The American National Red Cross. By Act of Congress, January 5, 1905.

AMERICAN RED CROSS

my mother has the best idea
 she uses a type writer on the
 V-mail and you can get a lot on
 but me without a type I am
 in a bad way. and I do not
 know how to type write ^{so}
 I am in a pretty bad way.

I got some English jokes at
 the camp and I will put them in
 the next letter to you. I read
 them but they go over my head
 a bit the wall.

The English a rag about that
 so I played a couple of games
 with one of the boys in camp.
