Miss MARTHA DARROUGH
LUTHERAN HOSPITAL
SCHOOL OF NURSING
ST. LOUIS 18
MO.

April 6, 1844
England.

Dear Martha,

I am going to
reunite your letter one of
these days. In case I do
get a letter before you
get this I want to tell
you that I miss your
letters.

We are having some
better weather now.
I got a sun tan hat from
London every day that
I wore that hat it rained.
So the boys made me
stop wearing it today.
The weather
to day don't better today
than to morrow.
We were at picking violet
in the park yesterday.

It looked like that country 2.
was never in a war. It
was so peaceful in the
Park.

Dearest Martha,

As you
can see it has took 2 days
to write this letter. I started
this letter April 6. I should
say we because two of
the boys I go around with
helped me write the
first page. I did not know
what to say. So the boy
told me what to put do-
wn. The boys felt pretty
good so the were talking

crazy. The boys are ~~crazy~~
crazy I hope some day
you can see them.

I started this letter
but the boy came back
and said that they had
"so much on their mind". I wanted
to see the picture so I went.
I knew it was about
nurses so I had to see it.
Not to say the least I
really liked it.

The matter is good and
that is all better say.

I got so much to write that
I will have to write to you
when I get the days off.

That letter you wrote really
helped me out a lot.

The show was long & 4.
and I think I will close as
tomorrow is Easter Sunday.
And I hope to get up in time
for a sun rise service at
6: A.M. I will bet you a dollar
to a good doughnut that I
do not make it. And I heard
that we are to have fresh
eggs for breakfast so I better
get up.

I will write to you
with love

Kisses

Hop.
