Dearest Martha,

I received your letter from you today. In fact it was a pretty good day. I got 13 then of them. And I do not know where to start. I have my cousin letter to answer. He is in North Africa. I will write you tomorrow.

I have more things to write but if I write them all tonight on this mail I will have nothing to write tomorrow.

The boys are out riding playing baseball out side now. But I guess they will be in soon. And then up my bed. Well I hope it looked better. Will be better tomorrow.

With love
Vigo
