Dearest Martha,

I received

your letter to day.

I thought that maybe
you had got me. Because
it has been a long time
since I got a letter
from you. Maybe if I
would write more
it would help things.

I saw a good

picture last night.

It was to be the world
premiere of the new
picture "Going my Way"
with Bing Crosby.

It was really a good
picture. And you
should not miss it.
Ever since I came overseas
you have been telling
me about the pictures.
Well I hope that I got
this one a head of you.
But it was a good picture
and you should see it.
Big plays a part but
do not let that stop you.
They have a lot of good
song.

Well telling about songs.
Your sister must really
have a good voice.

I would like to meet
her some day. And that
money is not bad too.
I make two dollars a
day or so. I bill her just think
how many days I work
to get her money. And
she has a good time out
of it too. But everybody
can not have a easy
life. And our day will
come some day. Your life
is not always in money.

There is a lot more about
it, I mean life. If only
I could see you to explain
more.

Just how much I miss
you dear.

^{you} Do not get part of my
letter will copy me the
part or re-call it for
me + maybe I can
explain more. But it is
so hard for me to put
what I mean in writing.
I never wrote a letter
until I got in the gang.
So you see I have a lot
to learn.

Where on earth did
you get that I am a
drinking man. The most
I had in 4 or 5 months
was 3 wines + 4 beers.

That was all at one night. ^{5.}
And I do not think ~~the~~ ^{it} is
much at one time. I
feel like getting good &
drunk some day. But
I guess that will be when
I get home.

Now do you like this?
Doctor, "I came on you,
shooting at your son-
in-law."

Mountain. "Huh-he
wasn't my son-in-law
when I shot him."

Some day gave me the
joke he got it from a
girl in Kansas City.

That Meni Roast sound
off to me. I wish I was

there. We had a good time.
couple of days a good by
going out boating. But
it was fun but no
women. It was really
pleasant & quiet.

That is pretty bad
when your brother
falls a sleep on guard
duty. I would tell you
a lot of story about that
but a officer has to read
this letter. I guess the
guilt he had keep him
out to long.

You are sure right
about getting any this

from home. You have ?
to give your friends a
piece of cake & that does
not leave you with much.
Especially if you have a lot
of friends. I got a big
treat to day by getting
a fresh apple. Boy
was it good & as
big as your fist. It was
the best I had in a long
time. In fact, I did not
know an apple could
taste so good.

"Occasionally a woman
spends a lot of time looking
for a husband after
she gets him."

You do not have to say
it I can hear you now.
Well I guess that is all
to night.

One of the boys is bring
me fish - Chips - from
town to night. That is our
midnight lunch.

It seem like all I can
say is that I miss you.
But I really would
like to share you with
me to night and say night
to you.

With all my Love
to a very dear person
Happy
