England

Dear Martha, (Corky)

I hope you are
Putting more time on the
Stuckis & lets time on writing
to me. Because I know
that you would like
that P.N. I do not know
what else to say to you
about that. So I will
just leave it go.

We are having some
nice weather today.

I played 3 games of Volley
Ball then 5 games of Pinocch
& 2 more games of Volley.
Then a letter to Marion then
supper
& 4 more games of Pinocch

2.
So you see how my
day goes. I lost all the
Volley ball games and win
all but one pinochle
game. But I guess you
are in interested in thing
like that.

I have very little other
news. Of course I did all
some more pictures. I saw
Earl Craig's Lost Angel and
"Lucky Jordan."

It really do not matter
what you call me. But all
the kids at school used
that & I just seem to stay
with me. And when I got
in the army they used that
all the time. So I like that.

One of the boys I know -
 go around with has got
 a girl friend who is a
 nurse. She is in New Orleans.
 He got a picture of her in
 the White uniform she looks
 good too. I think it is that
 nursing uniform.

I liked that drawing
 of the angel who is
 to be me. I have not
 got my wings. But I will
 get them in the next 2 hundred
 years.

Now I will answer your
 second letter.

I like the point you put
 in the letter. So I would
 get the point. I all most
 got the point in my finger.

4.

I will send you one of the
pictures with my graduation
Robe if I can find it. I got
it some place.

I am sorry that this is
a short letter but I just
can't think of anything
to say.

I wish I could see
you - hold you. I know
what to say then.

With
Love
and my God watch over
you.
O. S. P.
