Dearest Martha,

This is
the first chance I had to
write to you after
my pass. I started on
my pass Sat. night, so
Saturday I sleep in the
Avenue Ration Club.
The bed was not so good.
But what I wanted to you
was about my dream.
I got in bed at 11:30 P.M. &
got up at 11:30 A.M. so
you see I sleep plenty enough.
Do you remember the
day getting plenty of sleep.
and am I getting the sleep.

4.
Will back to the dream. First
I was bone which is enough
I dream about. But here
is the only bad part of the
dream some way I found
out that you ~~did not~~
graduate + you could
not be a nurse. By did
I get mad. You should
be ^{some} of the world I used
on you. I was so mad that
I was not going to talk
to you. You see I really think
that is the most important
thing in your life now.
I know how much Pearl
wanted to be a nurse. She
wanted ~~big~~ more than any
thing in the world. And if

you just got half of that
I can see how important
it is to you too. So don't
answer this letter
but put the timing on the books.
I forgot the next part
of the letter but before I
show it I was not mad
at you.

you & me were worried
a big wedding with all
the stuff. If you get what I
mean. You & women you know
what I mean. We went on
a honeymoon up north some place.
I can remember a lot of snow
out side & we had just
finished dinner. We had the
radio on & lights were
low. but we had

big fire in the place (freedom).
I had you in my arms. I do
not remember the same words
I had in the dream but you
can put that in it. I think she
we stayed there for 2 days,
one night.

I guess that is all of the
important things. I imagine you
will want me some thing about
it. It is the first dream I had
like that in a long time.

I have not got a letter
of yours to answer so
I guess I have very little
to write about.

The world which is always
a good subject is just
the same pretty good.

but the penca does not like it.
no to say much about it.

I do not have any good jokes
that would write to you.

So I will close now
with Best love +

Kiss is Boy.

P.S. I almost for got this
part of the letter. I don't
know whether I should put
it in or not.

We had a couple of children
after that marriage yours.
And we were happy ever
after.
