Dearest Martha,

Tonight they are going to have a big dance on the Field. We are to have 4 big C.S. dance bands. And a lot of women & beer & all the stuff. I think that I will have a go at it. If I just drink the beer.

No not like much news from you. From the place as every thing is just about the same. I almost lost my best friend over here. As he was just about ready to go to France. But he did not go. That is a long story in a few words.

The weather here has been great we are all building boat. So we will not float away. We if we lose out the ballons, that they use for the enemy planes, the island will sink. The only good thing is the rain on our tin roof. You can really have some good dreams. And the dreams I had about you are many. They are so very still that I am afraid to write them down. I guess I will tell you some day. But the only ones I want to remember is the nights we had in the Park.

2
exactly the Blackout. But we write so
much about that already that I think the
subject is pretty well covered. So I guess
will get on to your very nice letter.

The mail have been pretty bad
we here but some how I always get
you letters ok. I guess they know how
important they are to me. It was raining
when you wrote this letter & it is raining
now. I wonder if you brought some here
in it.

You ran & tripped that you ahead of me in
writing. Well if I answer this letter tonight
I will have them all answered. So I guess the
only explanation is that the letters got lost on
the way over here. I am sorry that you
think I am behind. But I think I have been
keeping up with you pretty good.

So you have been going out with sailors
now. I guess you will go all about the
sailing you know over sea. But maybe it is all
for the best. You may have changed the way
you thought about me, or you may be
just out to have a good time. As you are young
& should have a good time. I hope that you don't
get mad at me for saying that. But I you
changed your ideas about me & start liking
some body else. I would like to know.

I know that I have changed a lot, and I³
may not be the same when I get back. I have
been told a lot of our here that I have been
changed a lot.

I give like the way you described the
winter road at Carnobled Park. How do
you like that Park?

I will enclose some pictures that
I said I would send you. I know that you
can do with them. If you throw them away
you are right.

I miss you & I hope you
are the same.

With love & regards
Mae

P.S. How about a bet of 5 dollars & 5 cents
on the Army & Navy Game football game.
I will bet you a horse & catch up with
me in that gambling bet. But I am afraid
that you will get in the hole now.
I am afraid & that you will not get this
letter in time for the game. So the betting
is off.

P.S. IF YOU INSIST ON SENDING ME
something FOR CHRISTMAS - I COULD
USE A BILLFOLD - BUT ONLY IF
YOU INSIST -
