my Dearest Martha,

I have a letter from
Dorothy and I will be in touch with
her. There is not much new
news from what I wrote you a
couple of days ago.

I did see one poor picture. And
if it comes around your place don't
see it. The name is "my little
music". No good.

I have to move off at 9 years
and go to a school. But my thing is
get away from this camp. I've been
staying in night the last couple
weeks. And you going out just
sitting around. I hope it will change
soon.

But you do not want to hear about
this. I would cry on your shoulder
all night if you let me get on again with
it. You about the joke.

Did you hear of the I.T. who was
sitting out of a garbage can over-
board?

2.
The mess officer caught him and
said, "Get the in the mess hall. You
are no better - than the rest of us."
I like one.

I got those dice in this letter. I don't
know what I will do with them
as I like not gamble. I will use them
for good luck. To get some safe
fort.

You are writing about the woman. May
it really sound good. If only I could
have you so that I could see you could
look at it. I better not say too much
about it as I am pretty mad at I missed
all that now. In fact I am in a very
bad mood. When I wish I could
stay in that side of the water? Let
me I could see you once in a great
while. Then I read this part in your letter
about the woman. It makes me more
mad. But that's all I have read
that you notice it. And when you
see also that you are when
it is a lot?

I see that the St. Louis weather has
got you going. Well, you really are

I have a fan in one hand and a fan
 out in the other. and a rain coat
 on with snow shoes on. now I right.

So your sister has gone & the man is.
 Well I guess she knows what best. But
 as it's your sister & I do not know
 her I guess the ~~best~~ ^{best} is the better. I
 hope she has all the luck in the world.

If I get your thing up I will have
 to stop writing about my food. No doubt
 send me some matted milk powder.
 I get me milk from the mens hall and
 it will make me to night but it does
 not taste good as there is no ice
 cream.

So you got 2 years in with you are about
 me with. Relish me. But I got £16
 months in now. I hope you do not get
 that.

So what does Ego to HVO mean.
 I get on I think that and means me.
 and I can take a good guess at the
 other two words. But I would like
 you to tell me. as I am pretty interested
 in it. If you are going out I will have to
 the best of me. I am sure you will
 still love you very.
