Dearest Martha,

I am a couple
letters behind you and still
trying to catch up. But I got
yesterday that needs a answer
now. So I will get to it. I need
it over a couple two or three
do not know were I started in
answering it. But I will try.

I wish I had that I never did
get this letter from you. But then
it had to come over one day.
I got the letter you wrote yesterday
it tells me to get all about
it. This way would a little
mixed up but as an I.

I think you ~~of~~ had the right
idea if you ~~for~~ get it. But if you
would like me to answer it. I
will do so. But it will take some
time. I think some of the questions
should be answered. So if you
would want a answer to them.

I will give you an answer. But I
will ~~now~~ wait for the next
letter & tell me about it. If you
do not know what the letter
about it is the letter you got and
& told me about that & asked
about me and you in one. I
will wait to hear from you.

I think the best idea is just like
you said. Wait until I get home
and we know each other
letter. But I will wait until
I hear from you.

Now to chance the letter.
We played ball 5 days and here
again. This time it was to
the coaks. They made but
better team this time than
the last time. I forgot to count
the first after the 3rd inning and
the runs after the 4th inning
to navy & I had to take off my
shoes in order to keep up with
the count. If I had had

I could not play ball. I got
a couple good balls but
me, but at the place I walked
a good walk but I wish I
had out for a hit. My widow
is quiet. We had the father
playing with us. And the make
a bad play.

The weather was good as you
can tell if you had the game. We
just had a little rain. And the
air really was fresh. It is the
best I had in a long time. I like to
get out in the air when that I
finish running. How about you?

I went to a show last night
and saw "American Romance". It
was a good picture. And I really
liked it. Did you see it? I had
some good shots of the car-
rill - and lanes entirely. And
the colors really were a look
good. But you would have
to see it to believe I said.

I would have liked to know 4.
what of the box in store for the
box I wish I had a copy of the
now.

I feel our world men in the same
line. I always did think the
man in Europe would become
in June or a year after they
landed. But that is a good P.C.C.
thinking and not the man with the
stars.

So you think I got a good mood &
temperament. Well, I got a good fast
course things. And I am pretty
well headed to. I got that from
my dad. And you can find that
all over if you talk to mother.
may be it's best you don't
be glad I hear that mother
thinks you for me. Love you
and for your letters. I think
that I would really mention
and the day is in perfect with
and leaving from you. I get a

5
lot of sick & good feeling out
of your letters. Please never stop
them.

So you got on Easter Day. D.
Well, I got one from my mother
which was O.K. I didn't get
much else. I got 6 good eggs
out of 12 and 8 good. But it
never does help make it Easter.

I think I write you about the
boy who got fanned down here.
And now his wife is home
a body in a little while.
Well, they put him in the infirmary
and he'll leave soon. I got
my fingers crossed now. It looks
like all the boys & women are
going home with friends & get
home now. That Curwin is O.K. and
I hope that Curwin is O.K. and
that he's staying that way. So
write me in the next letter
about him. If you have news?

I got a bad 2 lap with me b.
in the 1st lap. But one went there.
The other is not good. I mean
he is lapping a little and I got
a lap with.

We had a big party & fun
but the one going home. Well, I
was a bad boy. not that I did
any thing wrong. I just got a couple
of money beers. I was feeling good.
I did the first time I did any thing
like that. I hope you do not get
a bad idea of me, that became
a bad idea. I just thought
I was not bad. I just thought
every thing. But we all had
a good time. And I did not have
one girl. I did have a couple
dances with his girl but she
was too much so I just
had the dances. "Between the
Women". But if it got you ok,
I better see it. Goodbye
try.

7.

Going
I hope you are getting along
O.K. with your exams. As your
letters are all full of it I
pray that you made good.
As you better.

That Journal one ~~was~~ ^{was} sounds
good. And then I would like
to take you out as I wrote
you before. But I really mean
it. I hope. But I will be all to
make it some day soon.

I will enclose a picture of
myself. It was taken about 1941
when my cousin got married in
the summer. He wife is the
one who was at the hospital
and had the baby boy. He is now
in France after a while in
England. You is his sister.
The finger prints are made before
I got it. Well, anyway you
can see as a civilian I was

8.
long, long ago.

We had a good run ^{last} ~~last~~
night and I wish I had
you here. But you you
you put it to good use. I wish
seeing you and being with you.

With love & a desire

Love
H. G. P.
