Dear Marty,

I am writing this letter
at lunch time so I do not have
much time. But I would like to
write you a letter. To tell you that I
am thinking about you a lot, so very
much.

This is the first letter I wrote in
May. and you are the first one. We
are not having any good weather.
This is more like March than May.
As we had a couple snow flurries
to-day. So you know what kind
of weather we've got. No place for
base ball.

They are having a contest over here
like the ones on the radio at home.
You have to write 50 to 250 words
on ~~the~~ my Post War Savings Plans. The
one best get a ^{new} car a year after discharge.
But you have to have a ~~car~~ war bond
taken out of your pay a by by one.

Just like back home you need the laptops.
Well I just stopped my books & sent
the money home. So I can use it when I
get back. Well I never could write
any thing good any way. Just a little
news I thought you like to know.

Last night I saw a pretty good
picture Jackie O was say he's fine. We
did you know Dad, when they has other
bad stars too. It was a musical
& fun, so was & I don't make it good.

The news was all about the German prison
camps. Boy they really got some bad shots.
It just turns your stomach. But I
think every body should know about
this stuff. Well you can read it much
better than I could tell you as the news-
papers have a bad time too.

So you see I made P.F.C. well I never
did like it but I thought I better put
it on my letter. As I had it a while. I
was told by dad that he does not
care any thing about the stripes just

too long as I get back safe. But I can
tell you all about that when I get home.
By the time I'll be got to & you you
should be over your hat. But I
later not get a letter like this one when
you flunked me. I am praying God you
can do next course + the last.
I am you started your stuff that than
too. Well, I would like to hear more
about it. But you better keep it to
yourself please.

I can read about your letter
the one you get mad at me. But I can't
and not mad at you. And could never
get mad at you. And I would like to
read your mother's letter on it. Could
you copy it. But let's just keep it until
I hear more from you about it.

I am sorry I made a bad mistake
about the rings. But I forgot
all about sending them to you. I guess
I am getting pretty bad at unlearn-
ing this.

Will had the doctor look at our
teeth today. But I'm sure with they
would clean them for me as I need
it bad. But that is the way.

Well, dearest I guess I better
close & go to bed. I pray that
you are in good health & happy.
and hope that we can see each other
soon. I am thinking about you a lot
if only the doctors would come here.

You have all my love as I
can not send it any more.
