my Sweetheart,

I had a lot
of good thoughts about
you today. So I thought
~~that I would drop you a~~
line. Boy am I thinking about
you.

Do you know what I would
like to do? Well, get a blanket
& go out to a park where
we could be a love &
make up for all the times
we had to wait about
each other and not be
able to do any thing about
it. And I sure got a lot
to make up. I could stay
out there for days & make
up all I lost by being

over here $1\frac{1}{2}$ years.

Do you know it will
be 18 months right on the
nose in 6 days. And it
looks like I will add
a another year or so &
D.D.

I forwarded a letter I wrote
Mother & Dad the day
before I left N.Y. I got a
part about you there
I said Dad Mother should
send you a picture of me.
Say did you ever get that
picture. And if so did you
my name writ. If not write
you like me & do so some
day.

I can remember how you
came down to N.Y. with that
other nurse. I forget

which one it is. But I think
it was your room mate then.
And remember how hard
it was to get in the camp.

We had one pretty good
weather here for a change.
Well, yesterday was not so
bad. I expect to stay like
this.

We had a clothing check.
That is, were you put all your
clothes on your bed. And
then they look at it. And
take all you would not
have. But can you think how
long it would take you to
put your clothing in the bed.
Of course you have a lot
more than we have
but it is still a lot of work.
And the things you find.

I was glad to read in your
letter that your Brother is
ok. I pray that he stays that
way.

Even if your hat hair is wrong
& every thing else is bad. I
still would like one of those
pictures so do not for get. But
do not send it until I write
you to send it. As it may
get lost in the mail while
I am on the ~~over~~ move.

So you know some people
in Affton. Will you be
good my friend that we
to live ~~at~~ in Affton. But he is
in the way now. I know
him about 7 or 8 years. He
lives on Ash Ave. St. Is
near the job people you
know. You glad you
will have nice people

in St. Louis. I hope that
if I get home. But all the
way back & really like St.
Louis. I better not say much
about it as you may think
wrong of me.

Ray got home for 5 days
before going to Calif. and then
to sea. He got almost 88%
on his grade 90% was the
best. He also got 5% for
had mean a Cpl and 100% for
still a P.C. You can see what
gets the boys in the family.
I am sure glad you keep
working. As I can read all
about the dates I find with
you. You remember you promise
I could read them every day.
Well, I hope to do so one day.
P.R.?

6.
I thought the song was
bad when I came to write.
But at least we do not
have to wait & have the
fat tab. as we do not
have a fat tab & me.
I really have to laugh at
the way you write about it.

Will I better close now.
They are playing the song "Good-
night, Sweetheart." "Say it
really fits the end of the letter.
If you hear it later. would
not close this letter better
than any thing I can write.

Goodnight
Dorothy
