Dear Martha,

I am very surprised and a little mad why I have not heard from you in over a week. I thought that you would write me by now. at least you acted like I should write. There are a thousand things going on in my mind. All the reason why you did not write. I just hope that you are in good health & happy. But Please do this for me. If you do not care for me & write you any more just drop me a line about it. As I sometimes think you are still mad at me. That's enough of that and I will be hoping ^{to get} a letter from you soon. We had to move our bandaids. I now got a room with just one other boy in it. And it is really nice. It is just like home. as you can do what you like when you

like to do it. There are double
bed just single beds in the
room. They call me "Big wheel."

I when bowling last week and got
one good game out of it. The others were
close but not so high of a score. The
first game was 130-129 + the second
136-130. Really had to work to beat him.
But the last I made 200, yes 200 my highest
game. I may win 2 dollars on it. I have
not found out as high man each
week wins 2 dollars.

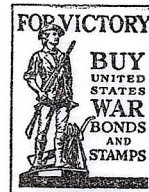

I played a little pool but I am not
so good at that & lost 2 games. But we
really had a nice time playing.

They put me to work this week. But I
could not have it easy all week long.

I do not know if I told you or not
but I heard from my brother. and he
is back in the states. He just had
3 days in Calif. and left again. But I
do not know where he is going. He
said it might be N.Y.

We are really having warm weather. As I am sitting here in my undershirt writing to you. The sun is out & it really is warm. Like a spring day.

I saw a pretty good show in "Pardon my Past." It is really a funny show. So if you like a lot of laughs see it.

I better close as I have to get back to work. I hope to hear from you soon.

Love

Hop
