HOW I WISH

I could See You

Wish I could see you
for a while
And talk a bit with you
Of things we did and things we said,
And good times that we knew;
Wish I could tell you of the thoughts
That always go your way....
Wish I could see you for a while,
Right here, right now, today!

Darling,

I just received a very nice and long letter from you. And just got home from work at the Grand. I have to go to the Auditorium to-
night as they got some dance down there by the name of Muther. That's why this short letter because I have to be down there soon.

But I have to tell you that I would not be up there. I was just kidding you. This is your vacation now so I will stay here in St. Louis maybe some other day ^{or} the next.

and you got home I will
come by there. I hope
you do not get mad
at me because of this.
But I must leave this
in your vacation. You
will see enough of me
when you get back
of St. Louis.

Sorry for the short letter.
and do not get mad.

Love as always.

Wap.
