My Dear,

It is just 7:00 p.m. here in St. Louis
and I have been laying around
all day with nothing to do. I
fear that you are not here. as
it's really a nice day here in St.
Louis. The sun was really out today.
and I went down to the park to
see Nick coach a baseball team.

I went to Sunday school today
and there was a couple more
new boys in again.

Shepherd got in the car. Well, I
call it help but he has a another name
for it. And the car really looks good
of course it is not finish.

Mother burned her hand with
the steam. And ^{we} had a
late dinner because of that. She
got her last 3 fingers on her left
hand. They seem to be ok now.
Of course, I had to take my

map & clay.

Last night, Nick & I went to the Americas they had Schaff's Bulls. It was a pretty hot play in some parts. It is lucky you did not see it. And I was working back stage. Because there are about 6 or 7 good looking women on the stage. And you might get mad. And one played the last part they all walked around with D's & nightgown on. There was only a couple that I liked.

But as for as learning any thing I doubt it. I mean we came find that all out in time to come. What do you think about that?

I wanted Friday night. They had a dance song any show there and was it, well I really can not use I would like, but it was pretty bad. I never saw dancing like that I can only tell it to you. I can't would take hours to write it to you.

Ray wrote me that he may be home & out by June. But

IV

that was before they postponed the
trip 6 weeks.

I got on the scale last night and
I hate to tell you that I had it was.
I am sorry that you had the
idea I was coming to your house.
This is your ~~for~~ vacation and it will
stay that way. Maybe some
other time. But it is your time
to have a good time without
me. And you then can
go to the places I never take
you to.

Let me know when you start
selling tickets for Dad's bath of
yours. I would like to clean
you back. Or may that will
have to come later??

You should tell mother that she
cooks for Dad & I. I'm in this
letter that you got a chocolate
& cherry pie. We never get two
in one month and you get 2 in
one day. So you better not talk
or I will stab you mother?

Well, I guess that is just about
all for tonight. I have been
on this letter for 1 1/2 hours.

I love & adore you my dearest, really
do miss you a lot all the time
and nothing to do.

Love & Kisses

Dop.
